

VISION: Life without limits; conquering arthritis with CArE.

MISSION: Empowering people living with arthritis.

WE ARE:

CARING

We lead with compassion, respect and dignity, supporting the whole person in every interaction.

COLLABORATIVE

We work openly, adaptively and with shared ownership to deliver the best possible care.

EXCEPTIONAL

We strive for excellence by delivering innovative, evidence-based care that improves outcomes and advances community health.

STRATEGIC PILLARS:

1

BUILD OUR CAPACITY:

We will strengthen our people, systems, and resources to deliver exceptional care.

2

EMPOWER OUR CLIENTS:

We will equip people to take charge of their health and thrive.

3

PARTNER FOR OUTCOMES:

We will collaborate with others to leverage individual strengths, maximize resources, deliver better care and stronger results.

4

EXPAND OUR REACH:

We will bring our services to more people, in more places, in more ways.

5

DEMONSTRATE OUR IMPACT:

We will engage in research to demonstrate how CArE enables measurable improvements in health, experience, and system performance.
